

DESIGNATED SURVIVOR AND MORE FAVORITES FROM THE DISNEY/ABC TELEVISION GROUP COME TO HULU

Popular Series Including Revenge, Shadowhunters, Blossom and more now Streaming on Hulu

SANTA MONICA, CA (November 29, 2017) – Just in time for the holidays, Hulu today announced that it has licensed the subscription streaming rights to even more hits for the whole family from The Disney/ABC Television Group, including ABC's hit drama series, *Designated Survivor*. In addition to becoming the exclusive U.S. SVOD home to *Designated Survivor*, the complete libraries of fan favorites such as *Revenge*, *Shadowhunters*, *Marvel's Agent Carter*, *Blossom*, *The Catch*, *Bunheads* and more will be added to Hulu. Now in its second season, *Designated Survivor* stars Kiefer Sutherland as Tom Kirkman, a lower-level cabinet member who is suddenly appointed President of the United States after a catastrophic attack on the U.S. Capitol during the State of the Union. In its series debut, *Designated Survivor* set records as TV's largest-ever total viewer L+7 increase for a series. All past episodes of the show are now available to stream on Hulu. Hulu will also expand its content collection with the complete libraries of even more Disney/ABC favorites for the whole family; including: ***Revenge***: All four seasons of the ABC Studios drama series will become available to stream in SVOD exclusively on Hulu on December 7th. *Revenge* stars Emily VanCamp as a mysterious woman who comes to the Hamptons to exact revenge on the people who destroyed her family. ***The Catch***: Hulu acquires the exclusive subscription streaming rights to the complete library of the drama series from Shonda Rhimes and Betsy Beers and starring Mireille Enos and Peter Krause. ***Shadowhunters***: Hulu subscribers can now catch up on all past episodes of Freeform's hit sci-fi series ahead of the season three premiere in April 2018. ***Marvel's Agent Carter***: ABC's action-packed series from the creative minds at Marvel is now available to stream in SVOD exclusively in its entirety on Hulu. The series is inspired by the feature films *Marvel's Captain America: The First Avenger* and *Marvel's Captain America: The Winter Soldier*, along with the short *Marvel One-Shot: Agent Carter*. ***Blossom***: After making its debut in the '90s, *Blossom* has continued to be a fan favorite sitcom. The series is now available to stream in its entirety on Hulu. *Blossom* stars Mayim Bialik as a teenage girl living in a house run by men who dreams about what life would be like if she lived in a more conventional family. ***Bunheads***: All episodes of the cult, fan favorite series will become available to stream on Hulu December 14th. ***Cougar Town***: The complete library of the critically-acclaimed comedy series from co-creator and executive producer Bill Lawrence starring Courteney Cox will stream on Hulu in 2018. ***Perception***: *Perception* follows Eric McCormack as Dr. Daniel Pierce, a neuropsychiatrist with schizophrenia who assists the FBI on some of their most complex cases. All episodes of the crime drama series will stream on Hulu in 2018. These series join a growing list of popular series from The Disney/ABC Television Group family now streaming on Hulu, including ABC's original "TGIF" lineup, *The Golden Girls*, *Ellen*, *black-ish*, and more. The news emphasizes Hulu's commitment to bringing together some of the most iconic and popular series throughout the years, all on one platform.
