

TELEVISAUNIVISION AND DISNEY ENTERTAINMENT ANNOUNCE NEW DISTRIBUTION PARTNERSHIP

MIAMI, FL and BURBANK, CA – May 21, 2025 — TelevisaUnivision and Disney Entertainment today announced a new multi-region distribution partnership, empowering Spanish-speaking consumers with more choice and accessibility. As part of the new deal, TelevisaUnivision's U.S. Networks, including Univision, UniMás, TUDN and Galavisión, will launch on the Hulu + Live TV core channel line-up on June 3, just in time for the highly-anticipated FIFA Club World Cup and Concacaf Gold Cup, giving subscribers access to the most-watched Spanish-language content in the country—from scripted and unscripted hits to the best in news, sports and live entertainment. Additionally, TelevisaUnivision channels including N+FORO, TLNovelas, Bandamax, De Película, De Película Clásico, Telehit and Telehit Música will later be added to the Español add-on for Hulu + Live TV subscribers. Beginning early June, Disney+ and ViX will be available as a combined offering in Mexico, giving ViX users access to Disney+ as part of their subscription. “We’re thrilled to enter into this new partnership with Disney that puts our community at the center. TelevisaUnivision is the top producer of Spanish-language content in the world, and this deal underscores two critically important elements: our portfolio is a main anchor for any pay TV distributor—without TelevisaUnivision, there is no complete pay-tv offering; and our direct-to-consumer business continues to break boundaries as ViX further strengthens its powerful connection to Hispanics around the world,” said Rafael Urbina, President of Streaming and Digital at TelevisaUnivision. “This new partnership allows us to strategically build upon our current channel offering and Spanish-language content available on Hulu + Live TV, while providing subscribers in Mexico with a meaningful opportunity to access the very best of Disney’s blockbuster films, award-winning Originals and iconic franchises alongside TelevisaUnivision’s industry-leading Spanish-language content including news, novelas, sports and more in one subscription,” said Lauren Tempest, General Manager, Hulu & EVP, DTC Content Partnerships. **About TelevisaUnivision** TelevisaUnivision is the world’s leading Spanish-language media company. Powered by the largest library of owned Spanish-language content and a prolific production capability, TelevisaUnivision is the top producer of original content in Spanish across news, sports and entertainment verticals. This original content powers all of TelevisaUnivision’s platforms, which include market-leading broadcast networks Univision, Las Estrellas, Canal 5 and UniMás, and a portfolio of 38 cable networks, which include TUDN, Galavisión, Distrito Comedia and TLNovelas. The company also operates the leading Mexican movie studio, Videocine, and owns and operates the largest Spanish-language audio platform in the U.S. across 35 terrestrial stations and the Uforia digital platform. TelevisaUnivision is also the owner of ViX, the largest Spanish-language streaming platform in the world. For more information, please visit televisaunivision.com. **About ViX** ViX is the first large-scale global streaming service exclusively serving the Spanish-speaking world. Owned by TelevisaUnivision, ViX offers more than 80,000 hours of content including news and entertainment, live sports, music, original series and movies, comedies and novelas. Leveraging TelevisaUnivision's extensive content library and intellectual property catalog, ViX provides an unparalleled platform for Spanish-language entertainment. The service offers three subscription options: free, premium with ads, and premium. ViX is available on all major mobile platforms, connected TV devices, and online in the United States, Mexico, Spain, and most Spanish-speaking countries in Latin America. For more information, visit www.vix.com or download the ViX app. **About Disney+** Disney+ is the dedicated streaming home for movies and shows from Disney, Pixar, Marvel, Star Wars, and National Geographic, along with The Simpsons and much more. In select

international markets, it also includes the general entertainment content brand, Star, and in the U.S., eligible bundle subscribers can also access extensive Hulu and ESPN+ content on Disney+, including next day TV, Hulu and ESPN Originals, live sports events and studio programming. The flagship direct-to-consumer streaming service from The Walt Disney Company, Disney+ offers an unmatched collection of exclusive originals, including feature-length films, documentaries, live-action and animated series, and short-form content. With unprecedented access to Disney's long history of incredible film and television entertainment, Disney+ is also the exclusive streaming home for the newest releases from The Walt Disney Studios. Disney+ is available as a standalone streaming service or as part of bundle offerings in the U.S. that give subscribers access to different combinations of Disney+, Hulu, and ESPN+. For more, visit disneyplus.com, or find the Disney+ app on most mobile and connected TV devices. **About Hulu** Hulu is a leading premium streaming service that offers an expansive slate of live and on-demand entertainment through a wide array of subscription options that give consumers ultimate control over their viewing experience. As part of the Disney Entertainment segment, Hulu is the only on-demand offering that provides access to shows from every major U.S. broadcast network, libraries of hit TV series and films—including licensed content streaming exclusively on Hulu—and award-winning Originals. Hulu is available as a standalone streaming service or as part of bundle offerings with different combinations of Disney+ and ESPN+ and can be further personalized through a variety of premium and Live TV add-on subscriptions. With Hulu + Live TV, subscribers receive a unique combination of 95+ live news, entertainment and sports TV channels and can access Hulu's on-demand library, Disney+, and ESPN+ all in one plan. Visit hulu.com to subscribe or learn more about the service.
