Beloved Franchise “Animaniacs” from Steven Spielberg, Amblin Television and Warner Bros. Animation Picks Up an Early Third Season Renewal Ahead of Season Two Launch

Following a successful first season and practically blowing up the internet, “**Animaniacs**” has been renewed for a third, zany season on Hulu consisting of 10 episodes. The series garnered the most social mentions of any Hulu Original to date over its season one opening weekend proving that fans can't get enough of watching Yakko, Wakko and Dot as they wreak havoc and mayhem in the lives of everyone they meet. The second season of “Animaniacs” will debut later this year.

After returning to their beloved home, the Warner Bros. Water Tower, the Animaniacs waste no time in causing chaos and comic confusion as they run loose through the studio and beyond, turning the world into their personal playground. Joining Yakko, Wakko and Dot are fan-favorite characters Pinky and the Brain who will also return to continue their quest for world domination.

Hulu, Amblin Television and Warner Bros. Animation join forces again to extend the legacy of the iconic, family friendly animated series. Steven Spielberg returns as executive producer of the series, with Sam Register, President, Warner Bros. Animation and Cartoon Network Studios, Amblin Television Co-Presidents Darryl Frank and Justin Falvey also serving as executive producers. Wellesley Wild serves as showrunner and executive producer. Gabe Swarr serves as co-executive producer. “Animaniacs” is produced by Amblin Television in association with Warner Bros. Animation.
