

## Showtime® Available Through Hulu

[SHOWTIME® Available Through Hulu](#)

Today, we are excited to announce that SHOWTIME is available through Hulu for \$8.99 per month in addition to \$7.99 per month for your Hulu subscription. You can sign up for SHOWTIME [here](#).

By adding SHOWTIME you'll be able to have unlimited, on-demand access to award-winning SHOWTIME original series including the highly-anticipated July 12th season premieres of the critically-acclaimed hit series RAY DONOVAN and MASTERS OF SEX, as well as HOMELAND, THE AFFAIR, PENNY DREADFUL, SHAMELESS, HOUSE OF LIES, NURSE JACKIE, HAPPYish, EPISODES and the anticipated new series BILLIONS and limited series TWIN PEAKS, all the same day and time they air. Box office hits, documentaries and specials are also available. You'll also be able to watch the east and west coast feeds of SHOWTIME live on Hulu.com. This is in addition to the more than 88,000 hours of content currently available on Hulu including current season programming, full libraries of popular shows and new Hulu Originals.

If you sign up for SHOWTIME through Hulu you'll be able to stream programming through the Hulu app on Android devices (phones, tablets and TV devices), iOS devices (iPhone®, iPad® and iPod touch®), Apple TV®, Xbox One®, Nintendo® Wii™ and Wii U™, Roku® players and Roku TV models, PlayStation 4 (PS4™), PlayStation 3 (PS3™), Amazon Fire TV and Fire TV Stick, Chromecast, and the latest LG, Samsung and Vizio televisions and LG, Samsung and Sony Blu-ray players, as well as online at Hulu.com with more devices coming in the future. Hulu offers SHOWTIME streaming on more devices than any other distributor over the internet.

The SHOWTIME offering complements Hulu's rapidly expanding library of exclusive content, including groundbreaking licensing deals with AMC, FX and Turner Broadcasting Networks, as well as full libraries of hit broadcast and cable shows Seinfeld, Empire, Fargo, South Park, CSI, Brooklyn Nine-Nine, Sleepy Hollow, Nashville, Deadliest Catch, The Last Ship and more. Hulu's growing slate of premium original programming includes event series 11/22/63 from Stephen King and J.J. Abrams starring James Franco; The Mindy Project, a comedy series from Mindy Kaling; The Way, a drama series from Jason Katims' True Jack Productions starring Aaron Paul and Michelle Monaghan; comedy series Difficult People produced by Amy Poehler with stars Julie Klausner and Billy Eichner; Casual, a comedy series from Oscar®-nominated Director Jason Reitman; and the first long form

project from Freddie Wong and the RocketJump team.

If you are a current Hulu subscriber you will receive a one-month free trial of SHOWTIME when you sign up. New Hulu subscribers will receive up to a one-month free trial of SHOWTIME in addition to a one-month free trial of Hulu. To learn more about Hulu and SHOWTIME visit: <http://www.hulu.com/getshowtime>
