
Get 12 Months of Hulu for the Price of 10 With New Annual Subscription Plan

Hulu is now offering its audience of TV lovers even more choice and flexibility in how they subscribe. Starting today, all current customers of Hulu's \$5.99/month ad-supported plan will have the option to get a full one-year subscription to Hulu for only \$59.99 through a new, annual subscription plan. That's 12 months for the price of 10! The annual plan gives viewers access to Hulu's extensive library of TV series and movies -- including TV hits like *Empire* and *Atlanta*, award-winning Hulu originals like *The Act* and *The Handmaid's Tale*, and past favorites like *ER* and *Full House* -- for a 16% savings over the cost of the standard monthly plan. While only currently available for existing subscribers on Hulu's ad-supported plan, the option will roll out to new ad-supported Hulu subscribers later this year.
