
Hulu + Live TV Launches on PlayStation 4

We're excited to announce that starting today, Hulu + Live TV will be available on PlayStation 4 consoles.

PlayStation 4 users will now be able to subscribe to Hulu + Live TV, gaining access to both live and on-demand programming from channels such as ESPN, FOX, NBC, and ABC so they can enjoy all their news, sports and entertainment in one place.

Current PlayStation 4 users who already have Hulu can easily switch to Hulu + Live TV through their account settings on Hulu.com. Viewers who are already subscribed to Hulu + Live TV will also now be able to access and watch live channels through the Hulu app on PlayStation 4.

Hulu + Live TV is currently supported by Apple TV (4th generation), Amazon Fire TV devices, Amazon's Echo Show, Roku devices, Xbox One, Xbox 360, iOS and Android mobile devices, Nintendo Switch, PlayStation 4, select LG and Samsung TVs, VIZIO SmartCast TVs, Windows 10, Mac and PC browsers, and Chromecast.
