Bingeworthy *Solar Opposites* Blasts Off As Hulu's Most-Watched Original Comedy Premiere

Animated Hit Series Ranks As The #1 SVOD Title On Hulu Since Premiering Friday, May 8th

The hit new Hulu Original adult animation series, *Solar Opposites,* has emerged as the most-watched Hulu Original comedy premiere to date, and became the #1 SVOD title on the service since launching last week. Co-created by Justin Roiland (*Rick & Morty*) and Mike McMahan (producer *Rick & Morty, Star Trek: Lower Decks*), *Solar Opposites* centers around a team of four aliens escaping their exploding home world, only to crash land into a move-in ready home in suburban America.

Since launching, the fan-favorite series was the #2 most-watched title on Hulu throughout the entire 7-day week, after only being on the service for two of those days! Additionally, *Solar Opposites* was also Hulu's most-watched adult animation title over the weekend, and continues to soar.

A few additional highlights:

- **Fans of *Solar Opposites* devoured the full season over the weekend —** more than 40% of viewers who started the series binged all 8 episodes within 2 days of launching.
- *Solar Opposites* has been certified Fresh with a 96% **fresh score** on Rotten Tomatoes
- More than half of Hulu subscribers have watched Adult Animation over the last year and **nearly 40% of Hulu viewers watch Adult Animation every month.**
